

# HOW TO REGISTER ?

## Direct:

Fill in the form and send it to [register@4gl.fr](mailto:register@4gl.fr)

## Version 10 PRICE LIST (January 2024)

France	930,00 EUROS H.T.	
Others	930,00 EUROS	

**This price includes one year of support.**

A license allows you to install *vpXPrint* in **ONE SITE - ONE SERVER with a limit of 50 users.**  
**For a more important number of users, add users packs.**

**These prices do not apply to WEBCLIENT or INTERNET applications, assumed that a large number of clients could be connected to your application. [Please contact us for a specific price.](#)**

If you are a VAR **and** plan to install **vpXPrint** on customer's sites or if you have more than one site or server, then additional licenses are available :

- ❖ individual 'Run-Times' **vpXPrint** can be purchased (you must purchase at least one development version at the standard, not discounted price.

France	620 EUROS .H.T.	
Others	620 EUROS	

***WARNING : This price list is subject to changes. Always refer to the latest registration form at [www.4gl.fr](http://www.4gl.fr) to get the current values.***

### VAR conditions:

1. **For software companies, the development license is limited to 10 users.**
2. **After buying the first development license, software companies can buy run-time licenses for their clients.**
3. **Depending on quantities, discount can be allowed.**
4. **Discounts are only available if ~all (at least 80%) licenses are covered by a maintenance contract**

## Evaluation version

The evaluation version allows testing of all *vpXPrint* functions.

But without registration, all pages except the first one, appear with  
**a "DEMO" watermark.**
