Direct:

Send it to

register@4gl.fr

Secured server shareIT! :

www.shareit.com is available to register vpxPrint. Search with vpxPrint as keyword.
(add ~ 10% to the price list for products acquired with shareIT!)

Version 10 PRICE LIST (January 2020)

France	810,00 EUROS H.T.	
Others	810,00 EUROS	

This price includes one year of support.

A license allows you to install vpxPrint in **ONE SITE - ONE SERVER with a limit of 50 users.**
For a more important number of users, add users packs.

These prices do not apply to WEBCLIENT or INTERNET applications, assumed that a large number of clients could be connected to your application. [Please contact us for a specific price.](#)

If you are a VAR **and** plan to install vpxPrint on customer's sites or if you have more than one site or server, then additional licenses are available :

- ❖ individual 'Run-Times' vpxPrint can be purchased (you must purchase at least one development version at the standard, not discounted price.

France	510,00 EUROS .H.T.	
Others	510 EUROS	

WARNING : This price list is subject to changes. Always refer to the latest registration form at www.4gl.fr to get the current values.

VAR conditions:

1. **For software companies, the development license is limited to 10 users.**
2. **After buying the first development license, software companies can buy run-time licenses for their clients.**
3. **Depending on quantities, discount can be allowed.**
4. **Discounts are only available if ~all (at least 80%) licenses are covered by a maintenance contract**

Evaluation version

The evaluation version allows testing of all vpxPrint functions.

**But without registration, all pages except the first one, appear with
a cross and random greyed boxes.**
